

## The Amazon Rainforest

## Changes within living memory

### Geography

### History

#### The Amazon Rainforest

The Amazon Rainforest is in South America. It is a tropical rainforest with one of the largest rivers in the world. The rainforest is a habitat to a wide variety of animals, however it is under threat.

#### Changes within living memory

Think about the rituals and routines of contemporary life. Compare these with those of parents and grandparents. How have toys changed? How have our clothes changed?
