

Name a range of objects made of each type of materials on the vocabulary list.

Name the properties of the material on the vocabulary list.

All objects are made of one or more materials.

Materials can be described by their properties e.g. shiny, stretchy, rough etc.

Some objects can be made from different materials e.g. plastic, metal or wooden spoons.

Some materials e.g. plastic can be in different forms with very different properties.

Materials

- wood
- plastic
- glass
