

I can't believe that this is happening all over again! I thought Miss Root would have stopped.

Everyone thinks that I had something to do with what has been happening but I don't!

When I heard that Miss Root was back planting horrible things, I couldn't believe it!

If anyone has any information, we ask you to inform the police immediately.

Last Monday, my neighbour's son, lost his tooth and instead of receiving a pound coin, he found a whoopee cushion under his pillow.
