

## Handwriting

We've now practised each handwriting family together. This week, can you practise writing one of our high frequency words? Remember to warm your hands up first!

Please see the video on our class page.

## Music

Can you complete a couple of the following tasks:

- Bounce a ball to the beat of your favourite song
- Watch some ballet on YouTube
- Learn a new song – you might want to use the Out of the Ark songs on YouTube

## Science

We are learning about **absorbent materials**, which means that they are able to soak up water or liquids.

Watch the video on our website to learn all about absorbent materials.

**What absorbent materials can you find in your home?**

Make a list of absorbent materials/objects in your home. You could conduct an experiment to find out which are absorbent and which are not.

## Spellings

Here are our class spellings for this week.

Common exception words.

door	climb
floor	parents
again	most
wild	only
children	both

Please see the video on our class page for Friday's spelling test.

## PSHE

For this activity, you will need: a piece of paper, a pencil, coloring pencils or felt tips and anything else you want to use to make your work look decorative! We are in charge of making our own choices. This morning you made a choice whether or not you got out of bed. Last night you made a choice to eat all of your tea or leave some of it. **You** make these decisions all by yourself because **you** are in charge of you!

Good choices, like picking up litter from the ground, get us **rewards** like a sticker or a smile from someone. We have **consequences** for making poor choices, like our name on the cloud.

Draw a picture of yourself making some of the good choices you always make.

## P.E

Join the children in school in completing the Joe Wicks fitness videos every Monday, Wednesday and Friday morning at 9am.

**Challenge:** Join in with Get Fit February! You'll find the timetable on our class page. Good luck!

## JUST FOR FUN!

Can you believe that it's the end the half term! You've all worked so hard at home and we're so proud of you.

On Friday afternoon, choose something fun to do. You might want to:

- Watch a film with popcorn
- Make a reading den and snuggle down with your favourite book
- Complete a craft activity
- Bake a cake
- Make an afternoon tea

Whatever you choose to do, ENJOY! ©

## Times Tables Rockstars Competition

This week, we will be competing against other schools in our trust. Try to earn points for your class and Inspire by practising your times tables every day. Let's show the other schools how AMAZING we are at Inspire Academy!
