

Google Classroom etiquette

Find a quiet space free from distractions (so that the TV, parents, toys, pets etc. do not disturb you)

Mute your microphone
If you want to contribute you will need to wait until it is your turn to talk.
Look in to the camera when talking

Position yourself so that there is a wall behind you.
Direct the camera to your face

Keep your password to yourself.

Wear appropriate clothes

Raise your hand to speak.
Don't talk when someone else is talking.

Speak loud and clear

Pay attention and participate

Don't eat during the lesson as it will distract everyone

Be kind and respectful
