

Year 5's Home Learning- Week commencing 8th February 2021

Complete one or two activities per day from the learning grid.

Science- comparing life cycles (45 minutes)

Use the PP to guide you through the lesson

Look at the info sheet about amphibians and think about any similarities/ differences to other types of animal's life cycles that you have already looked at. Spend 2 minutes drawing a life cycle of an amphibian.

Watch the video to recap what you have learnt about life cycles... (plants are on there too but we won't be looking at them in detail until after half term)

<https://www.bbc.co.uk/teach/class-clips-video/science-ks2--ks3-the-life-cycles-of-different-organisms/zvh8qp3>

Think about the similarities and differences between the different types of animals.

Task- Complete the table to highlight the similarities and differences between the animals. (use the facts sheets to help) Challenge- add two extra points to compare.

Geography- Fair Trade Brazil Nut

(45 minutes)

Follow the PP to learn all about Fair Trade and Brazil nuts.

Learn the positive impact Fair Trade is having on Brazil nut farmers in the Amazon Rainforest.

Task- Using digimaps, can you find Bolivia on the world map and add pictures and facts about what you have learnt about the Brazil nut? Follow the instructions on the PP to help you with digitmaps. The username and password will be emailed to you via purple mash.

Just for fun- Next time your grown-ups go food shopping, could you add Brazil nuts to your shopping list to try?

RE-Are Sikh stories important today? (45 minutes)

Look at the list of words below and think how these words are important to all faiths.

Can you choose a word, either your own, or from the list below and write an acrostic poem to express what that word means to you?

love, peace, equality, belonging, community, religion, friend, spirituality, God, truth, story, family, soul.

Music- Singing and Performing

(30 minutes)

Sing / perform track Lewis Capaldi - Someone You Loved

Lipsync Battle.

Now you understand the song more, after completing the storyboard, can you convey emotion into the performance?

PE- Can you balance like an ambidextrous stork?

Watch the video and time yourself on either leg.

Remember your non-supporting leg MUST be at a right-angle.

Is one leg much stronger than the other?

Or are you ambidextrous?

Good Luck.
