

Year 3's Home Learning, Week commencing 1st March 2021

History

For this week's history lesson we will be learning all about Boudicca. On the home learning page for this week is a link to a PowerPoint presentation all about her and it includes some links to even more information about her and some fantastic videos you can watch.

Once you have read all about Boudicca, your task is to create a fact file presenting all the information you have found. There is an example below if you need inspiration of how to present your learning.

Three subheadings you might use are:

Who was Boudicca?

What was her story?

Why is she important?

Music

This term we are learning how to play the recorder.

Using your login for Charanga (online music platform), and watch the videos uploaded. Also, head to the Year 3 home learning page to watch one of your teachers show you how to play two notes.

MFL

This week we are recapping numbers 1-11 to consolidate on last term's learning. Watch the video on the Inspire Academy.

Can you show numbers 1-11 in a creative way?

World book day

For World Book Day, we would like you to create a book character using a wooden spoon! Tweet your pictures, remembering to tag @MissLongson and @miss_bgarside in your tweet.

Science

Our new topic is **Plants!** This week, we are learning the parts of a plant and their functions. On the Inspire Home Learning page, you will find your worksheet and PowerPoint. Don't worry if you can't print the worksheet, draw your own flower, label the four parts and write about their functions.

PSHE

For the first activity this week, we will start with a game! Find an object that matches the description in the table. You can find the objects anywhere! You can either copy my table (see below) and draw it yourself or print the "PSHE blank table worksheet".

Take a picture of your objects & tweet me @MissVjGrogan. On your Tweet, include some descriptions myself and your friends can find in school together and we will send a photo back of our objects!

See the PSHE 1 March worksheet for this week's lesson.

Computing

This term we are learning about... **VLOGGING!** First, watch this video about vlogging to find out what it is:

<https://www.youtube.com/watch?v=rZsP7Fqe42k>

Once we return to school, we will be vlogging about Inspire Academy and our new forest school.

Maybe start to think about what rooms at school you want to vlog about and what information you could tell people watching your video.

Reading

Reading is an important part of the curriculum. Not only does it help you with your reading comprehension but also your writing. This week, we want you to spend **half an hour a day** reading. Please tweet what book you're reading, we can't to see.

Attached below are some Year Three recommended reads 😊
