

A tally chart to show peoples favourite animals

Type of animal	Tally
Lion	
Giraffe	
Elephant	
Dinosaur	
Dog	

1. How many people in total chose elephants as their favourite animal?
2. Which is the least popular animal?
3. Which was the most popular animal?
4. How many people chose giraffes and dogs altogether?
5. How many people chose an animal altogether?

6. Miss Garside says:

If I chose a lion as my favourite animal, then the same amount of people that picked elephant will have picked lion.

Do you agree? Explain your answer.
