Miss Wrigley

LC – I can multiply two, two digit numbers using a written method

You will need

- A pencil
- A piece of paper
- The task sheet

The method

			6	5
	x		4	4

Task

Complete the two digit multiplication sheet which has been uploaded to the school website. Remember to use the method that we have just been through together.

Once finished, email your work to me at lwrigley@victoriousacademies.org
