

# Science Year 1 Plants

I can **name trees** and other **plants** I see regularly.

I can point to and name the **parts of a plant** (recognising that they are not always the same e.g. leaves and stems may not be green).

I know that **some trees keep their leaves** all year known as evergreen.

I know that **some trees drop their leaves during autumn and grow them again during spring**. These are known as deciduous trees.

Conifer

Moss

Dandelion

Snowdrops

Cherry Blossom Tree

Laurel

Oak Tree

Daffodils

Daisy

Rose

Ivy

Nettle
