

My Year 2 unit on Digital Photography, and my Year 3 unit on Animations, will help me with this unit.

This unit will help me with my Video Editing unit in Year 5.

Key information

Rectangle

Lasso

Ellipse

Magic wand

Vocabulary

Crop	A tool that allows you to trim off parts of a photo
Rotate	A tool that allows you to turn a photo on its axis
Flip	A tool that flips a photo horizontally or vertically to create mirror image of the original
Retouching	Focusing on a small part of an image and removing it to enhance how it looks
Copyright	The law that says if you create something, it belongs to you and only you can decide what happens with it

Online Safety Focus

- Know that not all **images** are real (**fake**)
- Know that some **images** are protected by **copyright** rules
- Know that some countries e.g. Norway, have a law to say that people who make money from **images** must tell people if they have been **edited**

Key Computing Skills and Knowledge

Know how to **crop**, **rotate** and **flip** an **image**

Know how to change colours on an **image**

Know how to apply **filters** to an **image**

Know that **images** can be combined to make an **image** made up of different parts
